HeroGuardTM

NFPA 1975 Certified Uniforms

«DUPONT»

Nomex[®]

FEATURES & BENEFITS

- ▶ Nomex[®] fabric self-extinguishes and is inherently flame-resistant – won't melt, drip, or support combustion in the air
- ▶ Low fabric shrinkage during flame exposure reduces the chance of skin contact with hot fabric
- ▶ Enhanced fit and updated cuts make these uniforms more comfortable than previous styles
- ▶ Additional pockets increase the functionality of your uniform
- ▶ NFPA-complaint FR Nomex fabric offers an extra layer of protection as part of your PPE system
- ▶ Construction and reinforcements that meet the challenges of your job head on
- ▶ FR qualities remain throughout the life of the garment – they won't wash or wear out
- ▶ Estimated wear life: Four years

NFPA-CERTIFIED UNIFORMS DESIGNED FOR COMFORT AND BUILT TO LAST
