SPECIFICALLY  
DESIGNED TO  
OPTIMIZE HER  
COMFORT,  
MOBILITY AND  
SAFETY.

# FIT FOR HER.

When she's fit for firefighting, her fire gear should be FIT FOR HER. Proper turnout gear fit is important for all firefighters. But, it's even more crucial for female firefighters, who often require additional sizing details to achieve a great gear fit. With this in mind, our tailored women's-cut turnouts offer enhanced comfort, mobility, and safety. Say goodbye to ill-fitting women's gear and hello to quality and performance you can trust. Discover the FIT FOR HER difference today.
