

LION[®]
ready for action

INTRODUCING

HeroCert[™]

NFPA 1977 Certified Multi-Purpose Cover Pants

FEATURES & BENEFITS

- ▶ **NFPA Certified** – Meet NFPA 1977 standards and are specifically designed for what you need on a medical call.
- ▶ **Durable Construction** – Built to withstand the rigors of the fire service with reinforced fabric and enhanced design elements.
- ▶ **Enhanced Fit & Comfort** – Gusseted crotch and foam-padded knees provide increased mobility and comfort for demanding tasks.
- ▶ **Secure & Functional Design** – Angled fly closure with fastlock and LION-branded snap closures for secure and reliable performance.
- ▶ **Adjustable Fit for Functionality** – Bottom leg closure system with a take-up strap ensures a customizable fit for any scenario.
- ▶ **Optimized Storage & Accessibility** – Cargo pockets include a pen pocket, internal utility pocket, and water drainage grommet for added functionality.
- ▶ **Reinforced Front Pockets** – Notched front openings act as pass-throughs and are reinforced for clip knife storage.
- ▶ **High-Performance FR Fabric** – Made with 93% TeijinConex[®] Neo, 5% Twaron[®], and 2% antistat, offering superior fire-resistant protection and durability.

ENGINEERED FOR THE UNIQUE NEEDS OF PROFESSIONAL FIREFIGHTERS

HeroCert™

NFPA 1977 Certified Multi-Purpose Cover Pants

LION's new NFPA 1977 certified cover pants are engineered for the unique needs of professional firefighters, ensuring safety, durability, and functionality in every situation. Whether you're responding to a medical call or working out between shifts, these cover pants provide the protection and comfort you need without compromise.

This NFPA-certified gear offers enhanced fit and comfort with a gusseted crotch and foam-padded knees. The secure design includes an angled fly closure with fastlock and LION-branded snaps. A customizable fit is provided by the adjustable leg closure, and optimized storage features cargo pockets with utility and drainage options. Made from high-performance FR fabric, it ensures superior fire-resistant protection.
